

Pathway to Own Wellbeing

Course Overview

This course will help you understand what wellbeing is and why it is important for a happy and balanced life. You will learn about the key areas of wellbeing and how to take care of your mental, emotional, and physical health. You will explore simple self-care techniques to build healthy habits and improve overall wellbeing. The course will also teach you how to manage stress, stay positive, and confidently handle challenges. Through creative activities like art and crafting, you will discover fun ways to relax, express yourself, and feel more mindful. By the end of the course, you will have practical tools to improve your daily life and feel more confident in looking after your wellbeing.

What you will learn

In this course, you will learn what wellbeing is and why it is important for a happy and balanced life. You will explore the key areas of wellbeing and how to take care of them in your daily routine. You will discover simple yet effective self-care techniques that focus on your mental, emotional, and physical health. These strategies will help you build healthier habits and improve your overall sense of wellbeing. You will also learn how to manage negative thoughts and develop a more positive mindset. This will help you handle challenges with confidence and improve your mental resilience. Additionally, you will take part in creative activities such as art and crafting. These exercises will promote relaxation, mindfulness, and self-expression, helping you to connect with your emotions and enhance your overall wellbeing.
