

Improvers Crafting and Upcycling

Course Overview

This non-accredited course runs from City Skills Centre, each Monday, 12:15pm – 2:45pm for 8 weeks, starting on 27 April finishing on 29 June 2026. This is an improvers course for people with some experience of crafting and upcycling. As you develop there will be a choice of projects to match different abilities. All materials will be provided.

What you will learn

During this course, you will learn:

- How to demonstrate safe and effective use of tools and equipment used in crafting. ensure health and safety procedures are followed
- Master advanced techniques such as mixed media integration, and surface finishing
- Integrate artistic expression in final projects
- Create mood boards or design sketches to visualise ideas
- How to use advanced crafting techniques such as combining different materials and mediums creatively
- How to identify materials suitable for upcycling and understand their environmental impact
- How to upcycle household items to create gifts
- Analyse colour theory and apply advanced palette-building techniques to develop harmonious, colour schemes for upcycled projects
- Explore opportunities for turning upcycled creations into small business ventures or community initiatives

This is a tutor led course. However, students can choose their own project in week 7 and 8.
